TRUSTEES MEETING

NOTICES SERVED IN SYCAMORE CANYON ROAD IMPROVEMENTS

The regular meeting of the board of trustees of the City of Glendale was held in the City Hall Thursday evening, December 14, 1916. Present J. S. Thompson, president of the board, and trustees, Chas. Grist, R. M. Jackson, F. L. Muhleman, G. B. Woodberry. Also present J. C. Sherer, city clerk; T. W. Watson, city manager; W. E. Evans, city attorney; H. B. Lynch, manager public service department; Edward M. Lynch, city engineer; G. H. Herald, city marshall; A. H. Lankford, fire marshal.

The minutes of the last regular meeting were read and approved.

An application from L. A. Shindler for permit to operate a motor bus, approved by the City Manager, was, on motion, ordered to be granted.

Report from Tax Collector was presented reading as follows:

Taxes collected week ending December 13, 1716, $9088.69.

Total tax collected to date $34,-289.61.

Total Assessment Roll $57,571.76.
Total Collected $34,289.61.
Balance to be collected $23,282.15.

A bill from the Pacific Electric Railway Company for labor done and material furnished in putting in the crossings on Brand boulevard at Seventh street and Chestnut street, amounted to $351.21. The chairman made a statement in reference to this demand that it was in accordance with the decision of the railroad commission and the agreement with the railroad company in regard to the work. On motion of Trustee Woodberry this demand was ordered to be approved and the warrant to be issued in payment of the same to be paid out of the General Fund.

The Manager of the Public Service Department reported progress in laying twenty inch pipe.

The city attorney reported that he had presented to Mr. Wirt C. Smith a letter in accordance with the expressed wishes of the trustees at the last regular meeting in regard to accepting Mr. Smith's proposition to furnish reports in regard to the filing of suits under the Torren's Land Law Act and that Mr. Smith is now going ahead with the work.

He reported in regard to the serving of notices upon defendants in the opening and widening of Sycamore Canyon Road, that City Marshal Herald who had been attending to the service of these notices had finally succeeded in locating all but one of the defendants, and thought that he had finally secured the address of this one. The service of these notices having been so successful, would obviate the necessity of making any special publication.

On motion of Trustee Woodberry "An Ordinance of the Board of Trustees of the City of Glendale, regulating the establishment and operation of hospitals, sanitariums, or sanatoriums in said city and fixing a penalty for the violation thereof," was ordered to be taken up for third and final reading.

Mr. H. L. Miller of Thornycroft Hospital was present and expressed himself as being satisfied that the passage of the ordinance would work no particular injury to his establishment.

The ordinance upon being read, was, on motion of Trustee Grist, seconded by Trustee Muhleman, adopted as read.

In regard to the application of S. P. Bakewell for permission to install a gasoline tank in front of his estabment on Broadway, on motion of Trustee Woodberry, the application was denied.

SCHOOLS THANKED

The president of the Glendale Garden Society desires to draw attention to the cheerful, hearty and loyal co-operation afforded by the schools of Glendale and Tropico during the recent birdhouse contest; and takes this opportunity of publicly thanking the schools for their valuable and disinterested assistance. To Miss Mabel Thayer and to Mr. F. Harkness, manual training instructors, who devoted much valuable time and energy assisting the young people to build the birdhouses in the workshops, much praise is due. The co-operation thus given for the purpose of educating, stimulating and helping the boys and girls of Glendale and Tropico is greatly appreciated. The Glendale Garden Society exists to help others, and it renders warm thanks to all loyal co-workers.

RUTH MUSIC A BRIDE

MARRIED TO ROBERT BULTMANN AT PRETTY HOME WEDDING

The home of Mr. and Mrs. E. D. Music, 435 S. Louise St., was the center of interest, Thursday evening, December 14 for sixty or more relatives and friends when their neice, Miss Ruth Ella Music became the wife of Mr. Robert A. W. Bultmann of Monrovia. The wedding was one of the prettiest of the season, the rooms being decorated profusely in greenery, and bouquets of roses, with the lights shaded in green boughs, while quantities of mistletoe with its silver green foliage and snowy berries added the Christmas touch. The sixty or more guests who gathered to witness the happy event were the relatives and the close friends of the bride and groom. At the appointed hour, 8 o'clock, Mrs. H. L. Shaug of Huntington Park began playing the wedding march and the bridal party took their places in the room appointed for the ceremony, under a bower of ferns studded with white chrysanthemums and with a background of the same. The bride and groom were attended by Miss Alice Cunningham of Los Angeles as bridesmaid with the groom's brother, Mr. Paul Bultmann serving as his best man. Under the floral bower they were met by the officiating minister, Rev. Schaflee, pastor of the Pico Heights Congregational church who spoke the fateful words, while Mrs. Shaug continued to play softly. The bride's sweetness was enhanced by her bridal gown of white voile over satin with pearl trimmings and her pearl hair ornaments and necklace. The bridesmaid was becomingly gowned in pink chiffon over taffeta with silver lace trimming.

Following the ceremony, congratulations were showered upon Mr. and Mrs. Bultmann after which a dainty wedding supper was served. The bride and groom are very reticent about the wedding journey, however they admit that they will soon go to housekeeping.

The young couple were the recipients of many gifts, chief of which were the home in Monrovia from the bride's family and the furnishings of the home from the groom's relatives. In addition there were several substantial gifts of cash from relatives of the groom most of whom reside in Chicago. Other beautiful gifts of china, cut glass, linen and silver will long be cherished by Mr. and Mrs. Bultmann.

The bride has made her home with her aunt and uncle in Glendale for several years and has endeared herself to many friends who will regret to have her leave the city. Her husband is a very worthy and energetic young man, a graduate of the Throop School of Technology. They will soon be at home to their friends at their newly established home, 127 East avenue, Monrovia.

TROPICO WATER COMPANY HEARING

Railroad Commissioner Harvey D. Loveland will hold a hearing Monday, December 18, at 1:30 p. m., at the offices of the commission, Union League Building, Los Angeles, of the application of the Tropico City Water Company to buy from the Title Guaranty and Trust Company its water system in Tropico, and for authority to issue bonds for this purpose. The Tropico City Water Company is headed by L. C. Brand, Arthur Campbell and A. F. Moorland, and has transacted no business heretofore. Its authorized capital stock is $50,000, divided into 500 shares, of which only three shares have been issued. It has no indebtedness. The company was formed to buy the water system controlled by the Title Guaranty and Trust Company as trustee for the bondholders of the Glendale Consolidated Water Company. This water company sells water in Tropico.

The Title company has agreed to sell the property for 497 shares of stock, at $90 a share, and 50 bonds of a value of $1,000 each at $900 each, of the new company. The Railroad Commission appraised the property in a preceding case at $49,-709, not including water or water rights, or certain real estate, which the application says is worth $36,-000. The Title company's engineers valued the property at $92,629, and claim that $4,000 additional have been put on it in improvements.

The bonds are to be six per cent 20-year bonds, and a deed of trust is to be drawn, if the railroad commission grants permission to the Title Guaranty and Trust Company to secure payment of the bonds.

PRESBYTERIAN AFFAIRS

THE YOUNG PEOPLE TAKE THEIR PART IN ANNIVERSARY WEEK

Two more days of the Anniversary Week, long to be remembered in the Presbyterian church, have passed. Wednesday evening a large number of the congregation met in the lecture room of the church for a prayer and praise service. The atmosphere of prayer was felt by all, as the people lifted their hearts and voices in praise for what God had done for his people in that branch of his church.

The pastor's lesson was from Ephesians 3, the theme fellowship, his message one of love and thanks to God for what He had wrought in the past five years. The people joined him in this praise service giving thanks for the thing that meant most in their individual lives. All were glad God had cast their lot just here in the Glendale Presbyterian church.

Thursday evening in the Auditorium the young people of the Sunday School and Christian Endeavor Societies brought a most pleasing program as their part of this wonderful week of praise.

Miss Bessie Field presided in her usual most charming manner, under her skillful hands the evening passing pleasantly and the large audience pronounced it another real good time.

A piano duet was well rendered by Misses A. B. McClellan and M. Wilkin.

Betsey Butterfield read "Emily Jane" a little mother's thoughts for her scarred, battered but well beloved doll. Shirley Preston sang "Philosophy" in his clear, sweet childish voice. These two represented the Primary Department.

Mr. H. L. Howe brought the greeting from the Sunday School. To say that Mr. Howe brought a greeting is to say it was bright and to the point. The Sunday School is composed of just boys and girls, some on the Cradle roll, some Junior, some Intermediate, some Senior, but all just boys and girls somewhere along the way. Some are good, some are bad, but none perfect; as were men of old so are we in our Sunday School. Our pastor is to tell us of our faults but to love us in spite of them, as we love him for his own sake, for the Kingdom's sake, and for the King's sake. In the beginning of this new year, this sixth year, we pledge anew our love and loyalty, and pray that for many more years he may be with us in his labor of love.

A male quartette composed of Messrs. Lucas, Marple, Porter, and Riggs gave two vocal selections which brought forth much applause.

Miss Elsie Campbell spoke of the early days of the Primary Class before it grew into a Department with its efficient equipment, and a building all its own. Her work in the church has always been with the little children. In those early days of the church's history the Junior C. E. had its beginning under the leadership of Miss M. Harrison and herself, she still is their consecrated, devoted leader.

The next number was a vocal selection by Mrs. Z. Gibbons whose voice always pleases because of its sweetness and beauty of expression.

Mr. James Newton recalled the earlier days of the Senior C. E. Society when it was small in number but strong in purpose and earnest in endeavor and liberal in gifts. His recollections of the sun-rise prayer meetings on Easter were most happy, —those were glorious meetings.

As our pastor so much enjoyed the surprise Tuesday evening, the young people wished to repeat the joy. Miss Field asked that he come forward while she read an acrostic written by one of the Primary teachers and beautifully lettered by one of our boys.

"Our Fifth Anniversary"

"Onward and upward we're marching,
United in one great band,
Renouncing the world with its pleasures

"For a home in the Heavenly land,
Interceeding for others, in lands
Foreign as well as near,
Teaching them the love of Jesus,
Helping the lonely to cheer.

"Another year has rounded out,
No not one, but five.
Never in all our history,
Indeed have we been so alive.
Victory has crowned our efforts
Ever there's been success.
Real to us thy goodness, Jehovah,
So to thee come we in humbleness,
And with thankfulness and praise
Remember we Thy unseen hand
Yielded naught but blessings all these days." —W. S. C.

As the fifth anniversary is a wooden one, on behalf of the C. E., she presented him with a wooden bowl filled with nuts to be cracked. A pastor has many nuts to crack in his work, some good and some bad, all hoped these would be good.

Mr. Edmonds was indeed pleased and most graciously thanked his young people for their unfailing love, loyalty, and devotion. The young people's societies hold a warm place in his heart as he was a member of one of the first Endeavor Societies organized. He was thankful that he had no nuts to crack about his C. E. societies, as had some pastors, but he knew his young people ever stood back of him and were true to their vows "For Christ and the church." He needed the young people to keep him young and mindful that he once was young. Again he thanked them for all they had done for the Lord's work, and for their rememberance of him.

After singing one verse of "Auld Lang Syne" in which all joined, Mr. Edmonds pronounced the benediction and all went home happy for the love and fellowship we enjoy one with the other.

Tonight at 7:45 Dr. J. R. Pratt will give the last study on Romans until after the holidays. His lesson will be based on the 10th and 11th chapters of Romans. Visitors are always welcome.

Saturday afternoon from 2 to 5 o'clock the Primary Department will enjoy their Christmas party in the Bungalow. It goes without saying that this is the crowning event in Anniversary Week.

AT GLENDALE HIGH

INTEREST IN CHRISTMAS CHARITY—STUDENT BODY OFFICERS LAX

A short assembly was called Thursday at which Mr. Howe spoke of the progress of the Christmas fund. Glendale High School has for several years taken an interest in holiday charities. This year the work is being directed by the Girls League, of which Jeanette McClennan is president.

Offerings of many kinds, varying from hair-ribbons, old shoes and toys to boxes of oranges, are being received for the benefit of those who are not as fortunate as ourselves—who would not otherwise have any Christmas. The sewing classes have been working ardently for several weeks re-modeling clothing, the cooking classes have sold candy, and the girls of the art department have plans up their sleeves to aid the children's hospital. In all Glendale high should have quite a presentable Christmas gift before Saturday.

Everyone will be given an opportunity to contribute to the fund today when the hat will be passed for "chicken feed." With an enrollment of over 600 students it will only be necessary for each person to put in a dime to make $60. It is promised that the money collected, as well as the other contributions, will be used where it will do the very most good.

The House of Representatives of Glendale high school Student Body met at noon Thursday. As usual a quorum was not present. The question of the lack of interest on the part of representatives was discussed. Much favor was given a proposal to oust members who miss three consecutive sessions. If something of this sort is not done the new form of government must be given up as a failure, for it is not possible to carry on the business of an organization without attendance at the meetings.

The first step toward the vaudeville show was taken yesterday when a committee was appointed to take the matter up with Mr. Ferguson who had charge of the show last year. It is planned to make arrangements for the affair as early as possible to avoid the last minute rush of preparation. Students are urged to begin to think about stunts.

The funeral services will be conducted from Renaker's Undertaking Parlors, Monrovia, Monday, December 18, at 2:30 o'clock. Interment will take place in Monrovia.

GLENDALE, CALIFORNIA, FRIDAY, DECEMBER 15, 1916.

VALUE OF SKILLED WORKMEN

There are thousands of jobs waiting for proficient people to fill. The cause of so many people being out of employment is a lack of thoroughness. The time has come that competition is so close that institutions employing many people would better lock their doors than to employ incompetent workers at wages that should be paid to competent workers. There is an urgent demand for skilled workmen—men who know how to work and are willing to work. Botch workmen are the cause of many business failures.

MERRY CHRISTMAS FOR ALL

Conditions are such that it is possible for everybody in Southern California to enjoy a merry Christmas so far as having hunger satisfied is concerned. There is an abundance of food for everybody. If any one goes hungry on Christmas day or any other day of the year in Southern California it is not on account of scarcity of food, but a lack of the proper distribution. There are thousands of men and women who are ready to give food to those who need it. The question is how are they to know who needs aid? There are willing givers if they know to whom they are to give.

Thousands of dollars worth of food is wasted daily in Southern California. It is a wrong for either rich or poor to waste food when there are hungry people in need of something to eat. There is no law that has been made by God or by man that would permit of wastefulness when human beings are in hunger.

SUNLAND

Mr. H. Newcombe moved from Sunland to Downey this week. He will reside on the old Newcombe homestead.

A committee from the School Improvement Club went to Los Angeles this week and purchased a piano for the school. It is an Emerson and very fine toned. It came from the Fitzgerald Music House.

Mrs. Guy Hitchcock who has been spending a few days with her daughter, Mrs. H. V. Freeman, returned to her home in Los Angeles Tuesday.

Mr. Geo. Harmer has his house completed and moved into it this week. He has a beautiful location for a home. Let the good work go on. Sunland is on the boom.

One of the big real estate transfers of this week was the sale of the Rowley ranch to Mr. Fitzgerald. This ranch consisted of a little over 100 acres joining the beautiful home site of Mr. Fitzgerald. The consideration was $25,000. Mr. Fitzgerald will now have one of the most beautiful home places in Southern California.

Mr. and Mrs. Plum moved to Sunland Wednesday and will occupy the Blumfield house on Hill St.

A baby girl weighing eight pounds came to gladden the home of Mr. and Mrs. Wm. Stancliff on Summit Ave., December 8th.

Miss Mineral Waters, who with her parents are visiting at the home of Mrs. Waters' parents, Mr. and Mrs. A. Adams, Sr., is very ill with tonsillitis.

Rev. James Adams was showing a party of friends the beauties of Sunland and inspecting the olive factory Monday.

Mr. Harold Reed returned to Sunland from El Monte where he has been harvesting walnuts.

School closes Friday, December 15 for a two weeks' holiday vacation. The teachers, Misses Green and Kimbal, will spend their vacation at their homes and will also attend the county institute. Our school has been doing excellent work under their instruction.

Quite a few oranges are being marketed from Sunland for the holiday trade.

White Gift Christmas

At this busy Christmas time when we are enthused with the spirit of exchange of gifts we often forget His birthday whom we are celebrating. The Sunland Baptist Sunday School is going to have the White Gift Christmas service in which gifts of self, service and substance are brought to Christ. The church will be beautifully decorated in white. A special musical program has been prepared by the choir and orchestra. The Sunday School children will take part and a very interesting time is expected. Come and help celebrate. Christmas Eve, December 24th,, 7:30 at the church in Sunland.

Christian Endeavor, December 24 at the Baptist church. Subject: "Helping to Accomplish the Purpose of Christ's Coming." John 10:1-16. (Christmas meeting.) Leader, Harold Reed.

The Ladies Aid Society of the First Baptist church was beautifully entertained at the home of Mrs. A. D. Kirschman on Walnut drive by Mrs. Lewis and Mrs. Kirschman from ten to four Thursday. A well appointed luncheon was served at noon. A jolly social time was spent and two quilts tied. The next social afternoon will be at the home of Mrs. L. T. Rowley, January 4th, 1917, Mrs. Thomas and Mrs. Rowley, hostesses.

A big bunch of movie actors invaded Sunland this week taking pictures in the Big Tujunga wash. They seem to know a good thing when they see it judging from the amount of Sunland olives purchased at the olive factory by them.

The Tujunga M. E. Sunday School will hold its Christmas exercises on Saturday evening, December 23rd. The program will consist of music by the orchestra and singers, and recitations by the smaller children of the school. An address by the pastor. This part of the program will be held in the church. Then the people will march to the basement, (the march played by the orchestra,) where Santa Claus will meet the children and have a jolly good time. Everybody is welcome.

Concert by the Monte Vista Valley Band and Orchestra

Assisted by the best local talent, both vocal and instrumental, Tuesday, December 19th at Bolton Hall, Tujunga, under the direction of Bandmaster R. W. Maygrove. Funds to defray the expense of Bolton Hall and aid the band.

WHO WANTS A WATCH?

In response to several urgent requests the poem—Daffodils—is reprinted in today's issue. Children interested are advised to clip the poem for reference. To the boy and girl who best recite this poem on the evening of January 4th, in the library of the Third Street school, will be awarded silver watches. This will be the first meeting of the Glendale Garden Society in the year 1917. The oratorical contest has been planned in connection with the Floral Contest, to be held some time in March when silver cups for daffodils, and iris, and for the most artistic arrangement of any flowers in a vase are offered under the auspices of the Garden Society. By encouraging boys and girls to learn this poem on Daffodils, a greater interest in daffodils will be aroused. Mrs. H. E. Bartlett and Mr. S. Jamieson are the two friends who have so kindly provided the prizes for the children on the 4th of January.

Daffodils

I wandered lonely as a cloud
That floats on high o'er vales and hills,
When all at once I saw a crowd,
A host of golden daffodils;
Beside the lake, beneath the trees,
Fluttering and dancing in the breeze.

Continuous as the stars that shine
And twinkle on the milky way,
They stretched in never-ending line
Along the margin of a bay;
Ten thousand saw I at a glance,
Tossing their heads in sprightly dance.

The waves beside them danced, but they
Outdid the sparkling waves in glee,
A poet could not but be gay
In such a jocund company;
I gazed—and gazed—but little thought
What wealth the show to me had brought.

For oft, when on my couch I lie
In vacant or in pensive mood,
They flash upon that inward eye,
Which is the bliss of solitude.
And then my heart with pleasure fills,
And dances with the daffodils.

—William Wordsworth

Miss Grace Crampton of 1011 Chestnut street, who has recently been quite ill, is convalescing but is still confined to her home. Her friends hope to hear soon of her complete recovery of good health.

Mrs. Jessie Russell of 422 South Louise St., was the lady in charge of the P. E. O. program at the home of Mrs. Border on Wednesday. The theme of the program was poetry of the Bible and was of much interest. The report that Dr. Jessie Russell conducted the program was an error.

The Shakespeare section of the Tuesday Afternoon Club, which was to meet at the home of Mrs. E. D. Yard on North Maryland street next Monday, will meet instead at the home of Mrs. Menzo Williams, 1325 North Central avenue, as Mrs. Yard is just convalescing from an attack of la grippe.

Dr. D. F. Fox will give a lecture at the First Congregational church, Third street and Central avenue, on Monday evening, December 18, at 8 o'clock, under the auspices of the Brotherhood and Auxiliary. Gavin, Mrs. Chas. Wood, and Mrs. J. R. White.

The Boy Scouts of the north suburban district, which includes Eagle Rock, Tropico, Glendale and all of San Fernando valley, will hold a district rally this afternoon and evening at the Congregational church. Guthrie, scout master of Troop No. 1, has charge of the local arrangements.

Mrs. Charles Toll, Mrs. Henry Cassell and Mrs. M. E. Plasterer of Glendale were luncheon guests of the Eagle Rock Twentieth Century Woman's club on Thursday. Mrs. Toll was the speaker of the afternoon and gave a very instructive talk on children's literature. About 50 or 60 volumes of children's books were on display, enabling those present to gain some very good holiday suggestions. The books covered a wide range of subjects and there were many beautiful bindings, making a very interesting collection.

The Mothers' Study Reading Circle met Wednesday afternoon at the Pacific avenue school at 2 o'clock. The attendance was good and all were delighted to have present Mrs. N. C. Kelley, the federation chairman on education. It is hoped by the members to have her with them frequently. The circle will not meet again until the first Thursday in January.

Mrs. Menzo Williams of 1325 N. Central avenue still has a number of dolls, which were unsold at the Tuesday Afternoon Club bazaar which she has been disposing of at $1 each, and a number of Glendale ladies have sent in checks for that amount to Mrs. Williams with instructions to forward the dolls to the Childrens' Hospital, where they will gladden the hearts of some of the little ones on Christmas day.

The committees reported very gratifying results from the Christmas sale recently held, and a pleasant half hour was then spent over the tea cups.

Mrs. Ethel Graham Lynde on Wednesday gave before the Ebell club of Los Angeles an interpretative lecture on the symphony program which is to be given on Friday and Saturday, of this week in Los Angeles. The members of this lodge have cause to esteem this lady very highly not only for her beautiful voice but for the sweetness and grace with which she consented to give a program here. Madame Yaw appears only for charity and a part of the proceeds of this evening's program will go to the home for newsboys which she founded and supports. This evening's program will be varied to suit every taste and the company this sweet singer has chosen to appear with her tonight is one made up of artists. ENTERTAIN FATHERS

The Parent-Teacher association of the Pacific avenue school entertained the fathers on Thursday evening, giving a Christmas program and bazaar in connection with this event. A very delightful program was given by the school pupils, in the form of a song cycle, the different grades representing different months, some being in costume appropriate to the month represented. The month of June was represented by a marriage ceremony by the little tots of the first grade, and each month added some clever and pleasing feature to the program. In addition to this Marie Hearnshaw of the Fifth grade sang "A Perfect Day," accompanied by the new school Victrola; Grace Harding of the Third grade sang "A December Song;" Irma Lucas of the Third grade sang the Valentine song; John Elliott of the First grade recited "Christmas Stocking" and Alexander Chase recited "A Christmas Tree." There was also a reading by Miss Doris Packer, a former Pacific avenue school pupil, and Miss Helen Mosher favored with a vocal solo.

Following the program Mrs. Ella Richardson, president of the Pacific Avenue P. T. A. called for a one-minute report from the various committees of the association.

The bazaar, which was held in the court which had been covered with canvas, was for the benefit of the Victrola fund and the mothers of the school had responded so generously to the call for donations for the bazaar that the ladies cleared over $46, more than the amount necessary to complete the Victrola fund, and the ladies were very much elated over their success. The Victrola has already been purchased and formed part of Thursday night's program.

MUTUAL BENEFIT READING CIRCLE

The Mutual Benefit Reading Circle met at the home of Mrs. Chas. H. Toll, 1635 Kenneth road, on Wednesday afternoon. The book "Study in Child Development," is at present being read by the club and the chapter on "The Mental Development of the Child From 7 to 12 Years" was under consideration at Wednesday's meeting. A quilt was also completed by the circle and donated to the emergency department of the Glendale Federation of Parent-Teacher associations. About thirty ladies were present. Further meetings of the circle were postponed until after the holidays. The hostess of the afternoon, Mrs. Toll, presented each lady of the circle present with a dainty sachet of lavender which was grown in her garden as a holiday token.

LA CRESCENTA

The La Crescenta band held its first practice meeting on Monday evening, nearly all of the young people of the valley being present. The organizing of the band is rapidly progressing and a great deal of enthusiasm is being shown toward making this new enterprise a success.

The Presbyterian Church of La Crescenta has received into its circle the membership of Miss Nell Miller.

The annual meeting of the Loyal Bible Students was held at the Presbyterian church on Tusday evening. An address by Rev. H. W. Kellogg of Occidental College was enjoyed by the large crowd present and refreshments were served by the Ladies Aid Society at the close of the evening.

Mr. and Mrs. Minford are quite proud of their English bull dog which they received from New York last week. It's a real "dawg" with two rows of teeth add two kinks in its tail.

Mrs. V. B. Claftin who is now living in Los Angeles spent Tuesday in La Crescenta visiting friends.

The Directors of the La Crescenta Water Co. held their reguler meeting on Monday, December 4, 2 p. m. All present. After the regular business was transacted, the secretary, Mr. Hawkins, who has served five years, tendered his resignation. As several applications were placed before the Board, the president, Mr. Kramer called a special meeting for Monday, December 11, to decide on a new secretary, at which meeting Mr. A. H. Schultz was given the position.

The people of La Crescenta were greatly pleased with the musical program given by the Monte Vista Valley band and orchestra on Friday, December 8th. A concert of this kindkind is heartily appreciated here. All were interested in the little tots and the big instruments. We hope that the musical spirit shown may increase the interest of young and old in the newly organized work of this place. With such a leader as Mr. Maygrove, there will be everything to gain in encouraging our young people in so worthy a cause. We extend thanks to each member of the band and to their able leader.

Miss Madeline Van Deerlin, daughter of Rev. Van Deerlin of the Episcopal Church of Ontario, Cal., was the guest of Miss Lucile Levy over Sunday. Miss Madeline came in Saturday to see the Chaffy vs. San Diego game at Manuel. Although the Chaffy boys did not even score she said she was proud of them as they put up a good fight.

A number of our young folks attended a frolic and birthday party of Miss Lois Percey of Sunland last Thursday night. The evening passed in a hurry with delightful games and a general good time. The Marquett shooting caused a great deal of excitement at the Percey home that evening, but after the young folks knew that Tom Marquett was safe in the hands of the police they went on with the frolic.

Mr. Carl F. Adam recently returned from an extended business trip through the eastern states and is now enjoying a stay at the Fairmount with his family and many friends who are glad to welcome him back to Sunny California.

Mr. Stoner enjoyed a Sunday visit from his daughter and son-in-law, Mr. and Mrs. Clifford Hilliard and young son, Clifford, Jr.

The La Crescenta Ladies Club was entertained Wednesday afternoon of this week at the school building by Mrs. J. L. Hauber. Officers for the forthcoming year were nominated in the following order: Mrs. Harvey Bissell, president; Mrs. M. L. Thompson, 1st vice ; Mrs. A. C. Cobb, 2nd vice; Mrs. Edward Nettleton, treasurer, and Mrs. R. E. Haines, secretary. Nearly all the members and a number of visitors were present to enjoy the pleasant afternoon. Refreshments were served to the guests at the close of the meeting.

Mr. Steele is having a garage built on his place and a foundation has been laid for the beautiful home which will be erected in the near future. Mr. Caldwell who recently finished reshingling the bungalow on the Eaton place will have charge of the carpenter work of this new building.

Mrs. Christine Escalle who has been in a sanatorium for the past 18 months has returned to her home in La Crescenta entirely recovered from her malady, it is reported.

At the Fairmount

Many Los Angeles people appreciate the winter climate of La Crescenta, judging from the number of guests registered at the Fairmount for the past week. Those whose names appeared are: Dr. and Mrs. H. R. Soyer, Glendale; Miss Marian Bristol, Los Angeles; Chas. H. Hansmoch, Los Angeles; Mrs. A. B. Ward, San Francisco; Miss Eunice K. Brown, Los Angeles; H. J. Mrs. Belle Miller, librarian, reports a list of lfty new books received a week ago from the County Library Headquarters. Mr. and Mrs. Joe Hawkins and family enjoyed a day's motoring trip over the Foothills boulevard to San Gabriel and vicinity last Sunday. While in San Gabriel they paid a short visit to Dr. E. F. Archer.

Last Tuesday night, December 5th, the Monte Vista band and orchestra and their friends came over to La Crescenta to give a concert for the benefit of our infant band. This band under the able leadership of Mr. Maygrove is an organization of artists and they rendered us a program of unusual merit. It is hardly possible to single out any one number as being the best but Mr. Maygrove's clarinet solo, Dr. Buck's song, "A Little Bit of Heaven," and our own Mrs. Rose Scherb's contralto solo, "Mother Machree" will linger long in our memories as the gems of the evening. We netted a splendid sum to start our band and the boys and girls met Monday night for their first lesson. We hope to keep growing and if not rival our neighbors, at least reach their high place in musical circles. All thanks to our good neighbors, band members, their friends and ours, to their efficient leader and to the committee here who worked so hard for this concert and the promoting of the band. If our organization will do as well in the same space of time as the Monte Vista boys and girls have, it will be "US" for a place in musical circles of this "neck of the woods."

Herbert Scheuner has returned from San Diego where he and M. S. Lehman of Glendale had gone on business. The two left on Thanksgiving day and were away one week. While in San Diego they made a visit to Tia Juana, Mexico. The trip was made in an automobile. While on the way home they had many disagreeable experiences. Since they had gone down to San Diego on the Coast route they decided to come home by way of the inland route. About 20 miles out of Escondido they got off the main road and then, to add to their misfortune, they discovered that the gasoline tank was empty. This necessitated a five mile walk over terrible mountain roads to a place where gasoline could be secured. After proceeding five miles the following morning the auto became stuck in the San Luis Rey river. An obliging Indian with a team pulled it out. When they reached the town to Pala the clutch broke, which took several hours to repair. From there on the journey home was without any further mishap. Mr. Scheuner reports business fair in San Diego and things rather quiet in the exposition.

A. C. Cobb is making many substantial improvements on his place on New York avenue.

F. M. Scott made a short business trip to Los Angeles on Tuesday.

Mr. S. Levy has returned from Kingman, Arizona, where he visited his mining claims.
